PASSION PRAYER OF JESUS THE CHRIST The 7 Secret Principles of Jesus

People fast for many reasons . . . to break an addiction . . . to seek God for healing . . . to discover the answer to a lingering problem . . . and some fast for revival. But the greatest reason to fast is to get to know God intimately and to feed on the Bread of Life. The book in your hands is not an instruction manual on the methods of fasting or on how to pray. Rather, Dr. Elmer Towns describes the spirit of fasting that leads to an intimate knowing of Jesus Christ. He will show you that fasting is: tasting the goodness of the Lord. waiting in God's presence to become like Him. coming to Jesus to enjoy His presence. drinking from God's presence to get spiritual satisfaction. learning to discipline yourself even as Jesus did. growing spiritually into the image of Jesus. gaining spiritual perception of God's world. entering God's rest as you know His heart. Guaranteed to Create a Spiritual Hunger and Thirst Within Your Soul That Only God Can Satisfy.

D. A. Carson's father was a pioneering church-planter and pastor in Quebec. But still, an ordinary pastor-except that he ministered during the decades that brought French Canada from the brutal challenges of persecution and imprisonment for Baptist ministers to spectacular growth and revival in the 1970s. It is a story, and an era, that few in the English-speaking world know anything about. But through Tom Carson's journals and written prayers, and the narrative and historical background supplied by his son, readers will be given a firsthand account of not only this trying time in North American church history, but of one pastor's life and times, dreams and disappointments. With words that will ring true for every person who has devoted themselves to the Lord's work, this unique book serves to remind readers that though the sacrifices of serving God are great, the sweetness of living a faithful, obedient life is greater still.

God's power is alive today! Let's face it: church can be too boring--too predictable. People have never been so hungry for an authentic manifestation of God's power. Missionary stories of profound miracles in other nations abound, but what about in my nation, my city, or my home? Testimonies of past miracles are prolific, but where are they in my generation? Miracle Invasion includes modern examples of spiritual gifts in action and true stories that will rekindle expectation that the Holy Spirit is still alive and well, working in our time, on our continent, whenever we welcome his presence. In Miracle Invasion, you'll see:God is at work for your good--today!ALL things are possible with God.God is no respecter of persons. You matter to God.You are on the brink of a miracle, so don't give up. The Holy Spirit has not forgotten about the twenty-first century church. People in North America are experiencing God's power in authentic demonstrations of the Spirit. We serve an extraordinary God who loves to act supernaturally on behalf of ordinary people.
