How I Teach 5th Grade Social Studies - Thrive in Grade Five

Age. 10. In most schools, 5th grade curriculum focuses on United States history, beginning with the colonization of America and possibly continuing through the 20th century. As 5th graders study social studies, they are taught to analyze the reasons behind events, make connections, and compare. As in other grades, since most social studies curricula are specific to a location, consult your child ' s teacher or your state ' s social studies standards to find out which specific communities and ...

The fifth grade social studies content expectations mark a departure from the social studies approach taken in previous grades. Building upon the geography, civics and government, and economics concepts of the United States mastered in fourth grade and historical inquiry from earlier grades, the fifth grade expectations begin a more discipline-centered approach concentrating on the early history of the United States.

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

"High interest, nonfiction articles help students learn about social studies topics while developing skills in reading comprehension. Each story is followed by questions that cover main idea, detail,

vocabulary, and critical reasoning. The format is similar to that of standardized tests, so as students progress through the book's units, they are preparing for success in testing"--Page 4 of cover.
