Part one: I'm Baaaaaaaaaaaaaaaaack 10/23/11 Bleeding Violet Dia Reeves

Bleeding Violet by Dia Reeves is a very strange book indeed. I would say if this book were made into a movie, it would be a cross between Tim Burton's Beetlejuice and Guillermo del Toro's Pan's Labyrinth. Trippy is the word that comes to mind while I read the adventures of Hanna Jarvinen.

Bleeding Violet by Dia Reeves - Goodreads

Dia Reeves' Bleeding Violet is about a mysteeerrious small town with an overtly-magical atmosphere and a (slightly odd) female protagonist hanging with a group of Chosen One-type boys. It isn't a totally dissimilar premise to some other great recent fantasy books such as Maggie Stiefvater's The Raven Boys or Robert Jackson Bennett's American Elsewhere.

Dia Reeves has earned the title for being my favorite author. Although she has only released two books, Bleeding Violet and Slice of Cherry, I have read both books and absolutely fallen in love with them, i anticipate another great 3rd book about another crazy girl spinning Portero more upside down than it already is.

Bleeding Violet by Dia Reeves, Paperback | Barnes & Noble®

Reeves was able to hit it out of the park twice. The relationship between the sisters in "Slice of Cherry" and the relationship between the mother and daughter in "Bleeding Violet" are so complex, compelling and unmistakably familiar in the most disturbing way.

"Brutally beautiful — not like anything else you'll read this year, or any other." - Cassandra Clare, #1 New York Times bestselling author of Clockwork Angel Kit and Fancy Cordelle are sisters of the best kind: best friends, best confidantes, and best accomplices. The daughters of the infamous Bonesaw Killer, Kit and Fancy are used to feeling like outsiders, and that's just the way they like it. But in Portero, where the weird and wild run rampant, the Cordelle sisters are hardly the oddest or most dangerous creatures around. It's no surprise when Kit and Fancy start to give in to their deepest desire—the desire to kill. What starts as a fascination with slicing open and stitching up quickly spirals into a gratifying murder spree. Of course, the sisters aren't killing just anyone, only the people who truly deserve it. But the girls have learned from the mistakes of their father, and know that a shred of evidence could get them caught. So when Fancy stumbles upon a mysterious and invisible doorway to another world, she opens a door to endless possibilities....

Hanna is what you'd call mentally ill. She'd call it being totally crazy. After running away to Portero, Texas to find her estranged mother, Hanna thinks this new town can't be any crazier than she is. She's wrong. Portero is haunted with doors to dimensions of the dead, and protected by demon hunters called Mortmaine. Hanna soon falls for a young Mortmaine named Wyatt, but when her mother is possessed by a murdering ghost, Hanna decides to do whatever it takes to save her, even if it means betraying the boy she loves. In the end no one will be left unscarred.

Jimi Elba has it all: good looks, popularity, money, and the arrogance that goes with it. But he's undergoing a change, an unthinkable transformation that turns everyone against him, including his family and friends. Jimi, who's grown up in a town where the mayor is over three hundred years old and doors to other worlds sometimes appear in midair, decides to show everyone that being a freak of nature isn't so bad. With the help of a peculiar girl who always seems to show up whenever someone commits suicide, Jimi's quest for acceptance leads him in and out of the world on surreal rescue and recovery missions, into fierce battles with creatures more monstrous than Jimi could ever be, and finally to his true birthplace. But a birthplace isn't a home, and more than anything, Jimi wants to find a place to belong. Author's note: This is a standalone book.

A large creepy estate, mysterious twin brothers, family secrets, a diabolical invention known as the bone machine, and a young girl who is not at all human. Meet the Westwoods: a father whose inventions often create death and despair, his twin sons who are not above experimenting on the servants, and the daughter whose existence no one is supposed to acknowledge. A sudden infestation of ghastly creatures into their foreboding plantation home causes them to hire a lethiferist, someone who kills supernatural monsters. The problem is that newly-hired Rue, who like all her kind was born without a heart, is a supernatural monster. She's also too short, too young, and too compassionate for the job. Compassionate toward her fellow monsters, that is; not toward humans...on whom she occasionally feeds. Heartsick is a modern gothic tale full of thrills and chills and, ultimately, redemption. Author's note: This is a standalone novel.

Sergio is bisexual, but his only real relationship was with a girl. Lance has always known he was gay, but he's never had a real boyfriend. When the two of them meet, they have an instant connection—but will it be enough to overcome their differences? Allie's been in a relationship with a guy for the last two years—but when she meets Kimiko, she can't get her out of her mind. Does this mean she's gay? Or bi? Kimiko,

falling hard for Allie, is willing to stick around and help Allie figure it out. Boyfriends with Girlfriends is Alex Sanchez at his best, writing with a sensitive hand to portray four very real teens striving to find their places in the world—and with each other.

Briony knows she is a witch. She knows that she is guilty of hurting her beloved stepmother. She also knows that, now her stepmother is dead, she must look after her beautiful but complicated twin sister, Rose. Then the energetic, electric, golden-haired Eldric arrives in her home town of Swampsea, and everything that Briony thinks she knows about herself and her life is turned magically, dizzily, upside down.

Bestselling romance editor Trisha Telep brings an exciting new element to the fast-growing sub-genre of steampunk, which bends and blends the old and the new in increasingly popular dark urban fantasies. Young heroes and heroines battle evil, in various forms with the help of super-technological or supernatural powers, while falling in and out of love. Contributors include: Ann Aguirre a bestselling author who writes urban fantasy (the Corine Solomon series from Roc), romantic science fiction (the Jax series from Ace), apocalyptic paranormal romance (as Ellen Connor, writing with Carrie Lofty, from Penguin), paranormal romantic suspense (as Ava Gray from Berkley), and post-apocalyptic dystopian young adult fiction (Razorland and Wireville coming in 2011 from Feiwel & Friends). Tessa Gratton, her debut novel Blood Magic arrives in 2011 from Random House Children's Books, followed by the companion Crow Magic in 2012. Jaclyn Dolamore is the debut author of Magic Under Glass from Bloomsbury USA. Lesley Livingston is the award-winning author of Wondrous Strange and Darklight, the first two books in the bestselling trilogy from HarperCollins. Frewin Jones is the bestselling author of the Faerie Path series and the Warrior Princess books, among many others Caitlin Kittredge is the author of the Iron Codex trilogy, a Lovecraftian steampunk adventure. Dru Pagliassotti's first novel Clockwork Heart was one of the first in the rising new genre of steampunk romance and was named by Library Journal as one of the five steampunk novels to read in 2009. Dia Reeves is the debut author of the critically acclaimed YA Bleeding Violet. Michael Scott is the Irish-born, New York Times bestselling author of the six part epic fantasy series, The Secrets of the Immortal Nicholas Flamel. Maria V. Snyder is the New York Times bestselling author of the Study series (Poison Study, Magic Study, and Fire Study) about a young woman forced to become a poison taster. Tiffany Trent the author of the acclaimed YA dark fantasy series Hallowmere, which was an IndieBound Children's Pick and a New York Public Library Book of the Teen Age 2008. Kiersten White is the debut author of Paranormalacy, the first book in a new trilogy, which was published by HarperTeen in August of 2010. Adrienne Kress, is the author of Alex and the Ironic Gentleman and Timothy and the Dragon's Gate.

**HORROR IS WHAT HAPPENS WHEN EVIL OVERTAKES THE HEART.** Joey's a Baltimore mechanic. One night, she receives a call from her best friend, asking for his car to be picked up from the infamous body dumping grounds of Baltimore: Leakin Park. When she arrives, there's little more around than a stalled-out car and a couple of ravens, so she leaves only with the car. Back at the body shop, it doesn't take long for the smell of rot to permeate the trunk. Inside? A corpse. The cops say her friend did it. His absence is his guilt, but Joey knows better. She will find her missing friend and she will prove his innocence. But something isn't right in Baltimore. It's not just the feeling that someone is always watching from the city's abandoned buildings... Her search for her friend reveals something much worse hiding under Baltimore. A ghost town, a reaper, regret. Suddenly, the city's rage and the stink that rising out of the dirt make much more sense.

Jetta is in the center of a war. With her magical power, she could save everyone, save her country . . . or she could destroy it all. Heidi Heilig blends traditional storytelling with ephemera for a lush, page-turning commercial fantasy for fans of Tomi Adeyemi and Leigh Bardugo. The final book in the acclaimed Shadow Players trilogy. Jetta ' s home is spiraling into civil war. Le Tr é pas—the deadly necromancer—has used his blood magic to wrest control of the country, and Jetta has been without treatment for her malheur for weeks. Meanwhile, Jetta ' s love interest, brother, and friend are intent on infiltrating the palace to stop the Boy King and find Le Tr é pas to put an end to the unleashed chaos. The sweeping conclusion to Heidi Heilig ' s

ambitious trilogy takes us to new continents, introduces us to new gods, flings us into the middle of palace riots and political intrigue, and asks searching questions about power and corruption. Acclaimed author Heidi Heilig creates a rich world inspired by Southeast Asian cultures and French colonialism. Told from Jetta ' s first-person point-of-view, as well as with chapters written as play scripts and ephemera such as songs, myths, and various forms of communication, *On This Unworthy Scaffold* is a satisfying finale to the epic fantasy trilogy. It will thrill readers who love Claire Legrand ' s *Furyborn*, Laini Taylor ' s *Strange the Dreamer*, and N. K. Jemisin ' s *The Fifth Season*.

**THE A-LIST BITES.** Jason Freeman is stoked when his family relocates to exclusive DeVere Heights, Malibu. The in-crowd at his posh new high school is surprisingly friendly -- soon Jason's hitting all the best parties. He even meets the token hot-but-unattainable girl. Determined to enjoy his almost postcard-perfect new life, Jason tries hard to ignore the many strange things going down in DeVere Heights. But then a girl washes up dead the morning after one off-the-hook party -- and with no explanation but a suspicious-looking bite mark. Now Jason has to admit that what you don't want to know can hurt you.
