regarding learner-centered education: -“A person cannot teach another person directly; a person can only facilitate another's learning” (Rogers, 1951).

Carl Rogers - The Person-Centred Approach

– Carl Rogers Person-centred psychotherapy is built on the belief that providing the right relationship is critical to helping people make changes in their lives. In other words, it is not the therapist that changes the person, nor the person that changes themselves, it is the relationship between the two individuals that allows change to occur.

Rogers' theory of personality is based on the philosophy of phenomenology.

Carl Rogers - Person Centred Therapy - Counselling Tutor

Carl Rogers (1902-1987) a psychologist developed the person-centred approach theory mainly in relation to the therapist and the client and initially named it the client-centred approach. Rogers later referred to this theory as person-centred rather than patient-centred in order not to reduce the individual's autonomy and consequently lend the client to difficulties.

CARL ROGERS PERSON-CENTRED APPROACH

Psychotherapist and humanistic psychologist Carl Rogers began his career working with children. Later, as his work shifted to include working with adults and teaching, he began articulating his therapeutic approach. As he increased his skills and experience, a solid approach surfaced: Client-Centered Therapy (later called Person-Centered Therapy.)

Person-Centered Therapy (Rogerian Therapy)

Rogers (1959) called his therapeutic approach client-centered or person-centered therapy because of the focus on the person's subjective view of the world. One major difference between humanistic counselors and other therapists is that they refer to those in therapy as 'clients', not 'patients'.

What is the Person-Centred Approach?

Person-centred counselling is one of the humanistic modalities or approaches. It was founded in the 1940s by the American psychologist Carl Rogers who believed that, given the right conditions, a person can reach their full potential and become their true self, which he termed 'self-actualisation'.
