Recently, the Queen visited a nursery in Norfolk and enjoyed a display based on the book: "...just to make it special, there was one element that was not quite so traditional: pants. New York Times Bestseller: This true Depression-era story of a down-and-out fighter ’ s dramatic comeback is " a delight " (David Halberstam). James J. Braddock was a once promising light heavyweight. But a string of losses in the ring and a broken right hand happened to coincide with the Great Crash of 1929—and Braddock was forced to labor on the docks of Hoboken. Only his manager, Joe Gould, still believed in him. Gould looked out for the burly, quiet Irishman, finding matches for Braddock to help him feed his wife and children. Together, they were about to stage the greatest comeback in fighting history. Within twelve months, Braddock went from being on the relief rolls to facing heavyweight champion Max Baer, renowned for having allegedly killed two men in the ring. A brash Jewish boxer from the West Coast, Baer was heavily favored—but Braddock carried the hopes and dreams of the working class on his shoulders, and when he emerged victorious against all odds, the shock was palpable—and the cheers were deafening. In the wake of his surprise win, Damon Runyon dubbed him " Cinderella Man. " Against the gritty backdrop of the 1930s, Cinderella Man brings this dramatic all-American story to life, telling a classic David and Goliath tale that transcends the sport. " A punchy read with touches of humor. " —The New York Times " A wonderful, thrilling boxing story, and simultaneously a meticulous look at Depression life. " —Jimmy Breslin

One kind deed can change your life forever...Brynn Tomlin could never afford to follow her heart. But when she sees a stranger shivering in the snow outside of the college library, an inexplicable urge leads her to buy him a hot cup of coffee. It's just a small act of kindness, a few words of conversation. Brynn should be focusing on her finals, after all, not on the man who looked up at her gratefully with piercing blue eyes.He could have been anyone - a janitor on break, a graduate student, a bum. But the man standing outside in the cold turns out to be Dr. Eliot Herceg, one of the most brilliant minds in mathematics and heir to a fortune. After years of reclusive isolation, he now finds his heart awakening to the kind girl whose name he does not know.Brynn has spent her life trying to forget her desires, and Eliot's deep wounds have taken nearly a decade to heal. After so much hurt, will either of them be able to open their hearts again?Excerpt:Before my mother died, she told me stories. I sat on her lap and listened to her spin golden fairy tales through the air. We never had much, but I didn't notice the cracks in our plaster walls when she talked about Cinderella putting on her crystal slippers and waltzing all night with Prince Charming."Once upon a time"...the stories always begin the same way, but from these beginnings my mother wove new tales that danced in all directions of the compass. She told me stories of castles and dragons, stories of men who flew above the clouds to reach the sun and gods who rained jealous fury upon their rivals. Stories of lovers whose passion rose above earthly desire and changed their fate to a different end than the world had meant for them. Stories of hope and of death.None of those stories were true, but mine is.
