This book about a child's simple faith is one that children will long remember--and adults will love to share. When Wanda discovers a thornbush growing in the empty lot at the corner of Fillmore and Hudson, she's quite sure it's a rosebush all ready to bloom. So she clears away the trash, checks on it every day, and brings water from the butcher shop across the street. But no roses appear. Wanda's neighbors and friends are all doubtful, but when she invites them to a tea party in her "rose garden" one day in June, they're in for a big surprise.

A young girl and her grandmother visit the girl's father in prison.

A little brother thinks of the ways he will some day get revenge on his older brother.

A little girl finds a stuffed dog in the park and decides to take it home.

A picture book that celebrates music, love, and family from New York Times bestselling author Cedella Marley. And she's got the perfect plan to help her and her siblings make friends: an outdoor concert for the whole neighborhood! But when weather ruins their plans, she discovers help in the most unlikely places as her new neighbors quickly become the kindest of friends. In this joyful, vibrant picture

book inspired by her childhood and iconic father, Cedella Marley assures children that nothing can stop the music as long as they have community.

Using scraps cut from the family's old clothing, Tanya helps her grandmother and mother make a beautiful quilt that tells the story of her family's life.

In a U.S. release of an internationally award-winning debut, young Trille struggles with the fear that nothing will ever be right again when his best friend moves and his waffle-making Auntie Granny passes away.

Every sunny afternoon, Emilio wheels his grandfather outside to watch the butterflies. Emilio's grandfather can no longer speak, but Emilio can see happiness in the older man's eyes as he watches butterflies dance through the air. But one day the butterflies fly away. Can Emilio bring them back and make his grandfather smile with more than just his eyes? Virginia Kroll's beautiful story is written with love and is magically illustrated by Gerardo Suzá n.
