Developed for the CCEA Specification, this Teacher File contains detailed support and guidance on advanced planning, points of emphasis, key words, notes for the non-specialist, useful supplementary ideas and homework sheets.

Developed for the AQA Specification, revised for the new National Curriculum and the new GCSE specifications. The Teacher File contains detailed support and guidance on advanced planning, points of emphasis, key words, notes for the non-specialist, useful supplementary ideas and homework sheets.

This book was initially written to cover the S5 Intermediate 1 course which was an alternative to the S3/4 General course, but is now also being use with pupils in S3/4 and even with those in S2 and a precursor to starting the Intermediate 2, Credit or CIE National 5 course in S3. Again it is bright and encouraging, contains assessments along the way and includes a specimen exam paper. - It is in full colour. - It contains many graded examples for pupils practice allowing them to hopefully build up their confidence. - The book contains a Chapter 0, revising primarily the entire content of 5-14 Level D. - Each chapter contains a "What have I learned" exercise. - Each unit (Maths 1, 2 and 3) has a revision section and a specimen NAB. - Non-calculator exercises included in each unit. - On-going cumulative home exercises built into the course as a further means of consolidation. - A Specimen Intermediate Paper 1 and Paper 2 is included at the end of the book. - Books are double stitch-bound for strength and durability. - Very reasonably priced at £ 9.45 per book. - A Homework/Assessment pack is also available.

Developed for the EDEXCEL specification, this course provides preparation for GCSE success with a practical approach. Detailed support and guidance are contained in the Teacher Files on advanced planning, points of emphasis, key-words, notes for the non-specialist, useful supplementary ideas, and homework sheets.

Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Mathematics First teaching: September 2015 First exams: June 2017 AQA GCSE Maths, Higher Student Book has been approved by AQA and specially written by a team of maths experts for the Higher tier of AQA's 2015 GCSE specification. Designed to fully support the new style of assessment, the book adopts a clear style to focus on delivering exam success via the careful development of fluency and problem solving practice. Powered by MyMaths the book links directly to the ever popular web site offering students a further source of appropriate support.

Written by examiners and practising teachers, this work offers study and homework support throughout GCSE. It is useful as a reference source, a lesson back-up and a revision guide.

This resource has been developed to provide additional support for delivering and supporting ICT at GCSE. Linked to Key Maths, it can be also be used together with other resources. Each program contains a range of self-contained activities that do not require a detailed understanding of the software.
