~~Mom Has Cancer by Jennifer Moore-Mallinos~~

My mom has had cancer since I was eleven. I am now 25. The battle has been long and rough. To see my mom, the only woman I think that has ever loved me unconditionally is heartbreaking. Her cancer started in the breast, to colon, to liver, and just about everywhere in her abdomen now. Multiple surgeries, multiple rounds of chemo and radiation.

~~My mom has cancer... I need some advice!! Cancer ...~~

Let your parent initiate cancer conversations “Family members often come to me asking how much they should talk about the cancer with their parents,” says Jain. “Some people talk about it all the time, and that’s just how they cope.

~~How to help a parent who has cancer—Care.com~~

The night my grandmother died, my mother was with her and she said ‘oh Mabel you look just like my mother’ and peacefully died although suffering from bowel cancer. This was in 1954 and I have never spoken to anyone regarding the final moments of the dying. My grandmother’s mother died when Gran was 14 and there were no photos, so how would Gran know what she looked like.

~~How do you know when someone is beginning their dying ...~~

Take a deep breath. You didn’t say how you found out but I take it that your mom wasn’t the one who told you. Many have said, “Support her.” That is all well and good but also kinda lame advice for someone who probably feels like he just got kicke...
