This sticker book has been such a fun, educational and interactive way to spend an few minutes each day with my 2 year old son. I read him the short Bible story, we color and put the stickers on the pages, and everyone's happy. I would absolutely recommend this book and would buy it over again.

Fun coloring activities and tons of stickers kids will love! Whether stuck at home or on the go, kids enjoy getting to color and play with stickers. My Bible Sticker Backpack from Make Believe Ideas features Bible story favorites children will love to color and learn about outside of Bible class. Kids will also have over 1,000 stickers to place around the book, keeping them busy for hours and hours. At just \$7.99, this activity book is a great way for parents to keep kids entertained and learning about the Bible.

--Are stay-at-home wives old-fashioned and outmoded (at best) or parasites (at worst)?--Is daycare the natural habitat for babies and toddlers?--Is family planning the only responsible choice for married Christian couples?--Are Christian children doomed to rebel against their parents, and ultimately abandon church?--Does the Bible include examples of "working wives"?--Can a lovely Christian home actually affect the culture and the economy -- just by being there?25 years ago, The Way Home was the first book to ask all these questions -- and answer them. A bestseller when it first came out, for decades The Way Home has been a source of inspiration and encouragement for married Christian women. It shows how the life plan set out in Titus 2:3-5 brings love and creativity to home, church, and society, and the deadly consequences to all three when women reject it. We have a special mission, and this book explains it step by step.This 25th Anniversary Edition preserves the original book's text, so you can see for yourself how accurate its social predictions were. You will also find a new Preface and Afterthoughts dealing with such topics as Home Business (what kind NOT to start), TV and the Internet (the latest research and some suggestions), Fruitfulness (why "trusting God for your family size" is not a "baby derby"), Modesty (it's important, but it's not about skirt lengths), and where the Patriarchy movement has veered off-course (starting with its name!).Just as thought-provoking as the original edition, the 25th Anniversary Edition of The Way Home brings the Bible's message on family and social roles to an entire new generation of Christian women.

Let the words of my mouth and the meditation of my heart be acceptable in Your sight. — Psalm 19:14 Do you long to deepen your intimacy with the Lord? To find a sense of soul-steadying peace? To develop emotional strength? Then you will need to pause long enough to be still and know He is God. Trusted Pastor Robert Morgan leads us through a journey into biblical meditation, which, he says, is thinking Scripture—not just reading Scripture or studying Scripture or even thinking about Scripture—but thinking Scripture, contemplating, visualizing, and personifying the precious truths God has given us. The practice is as easy and portable as your brain, as available as your imagination, as near as your Bible, and the benefits are immediate. As you ponder, picture, and personalize God’s Word, you begin looking at life through His lens, viewing the world from His perspective. And as your thoughts become happier and holier and brighter, so do you.

Who am I? Why am I here? How can I have a happy life? When Sunny arrives on Earth, she has LOTS of questions about life! Fortunately, her good friend, Spot, helps her find the answers she seeks. This curriculum is the dream of Science of Mind minister, Rev. Doug Yagaloff. He envisioned an engaging curriculum that could be used in Science of Mind and other New Thought Sunday Schools, and in families and home schools. The book contains seven lessons that include a story, an "I Am" page to complete, activities, Ernest Holmes quotations, and guides for grown ups (families and teachers). The accompanying website, SOMforKids.com, has additional information and activities.

A collection of essays providing seven insightful perspectives on meditation in Christianity.

Would you wash your clothes with Colon detergent? Offer an assortment of Tit Bits and Bum Bums in your candy bowl? Or, on a quiet evening, serve your guests some Bonka coffee? In this age of globalization, brand names are increasingly checked for international propriety, and these products may well be endangered species. We can only be glad that for now, some companies still proudly assert their independence from English-language mores by naming canned fish Atum Bom or butter Noisy. Here, in glorious full color, are examples of such accidentally amusing packaging collected from shelves all over the world.

Greasy foreheads. Spiky frosted hair. Oiled-up faces dripping with Tag Body Shot spray. Armani Exchange T-shirts and rank cologne wafting off their backs like fetid pollen clouds as they pump their fists and attempt to grind into any hotties nearby. Young beauties oblivious to the hulking monstrosity clutching at their butts like snapping turtles on Red Bull. From sea to douchey sea, ours is a culture plagued by this festering blight. By the dark forces of über-douchebaggery. How did this happen? What can we do to confront the douchebag/hottie plague that rots our collective souls like boils sent by a wrathful and angry God? And how can you recover if you or your loved one is 'bag? Now, for the first time, there is an answer to those questions that haunt our collective will and sap our culture of any claim to societal advance: Why hottie/douchebaggery? Why now? And why are douche-faces so silly? In this book we dissect, analyze, contemplate and mock the rank douchescrotes that pollute our country's hottie supply on a daily basis. Every branch of the douche-tree will be examined. Every corner of our cultural rot will be exposed. And if we can lust after their hotties along the way, then all the better.

An excellent way to introduce classic Bible stories to your toddler. Each story is retold using clear and simple language, supported by exciting and colourful illustrations by Helen Prole. This Bible covers 63 favourite stories from Old and New Testaments, with only two to three lines of text per page, and Scripture references throughout. You'll soon discover why the Candle Bible for Toddlers has become a favourite on family bookshelves all over the world.

Three parables are retold with 130 stickers to fill in the gaps in the story. With a large scene from the tale to color, children will love this addition to the Candle Bible for Toddlers series.
