"I can think of no recent book about traditional crafts which has delighted me more than Joel Monture's Complete Guide to Traditional Native American Beadwork. All too often, books of this nature are either as boring as a repair manual, or obscure and inaccurate. Monture's triumph is that his book is not only the best and most complete book about virtually every aspect of Native American beadwork tools, materials, styles and methods, it is also clear, interesting reading. Written from the point of view of a Native master craftsman who is also a gifted teacher, and accompanied by striking full-color photos, it can serve as either a beginning point or a lifelong reference tool. I am confident that Monture's book will bring him wide praise, not only from beadworkers, but also from any person who delights in knowing more about the meaning and the history of an indigenous artform which is finally attracting the sort of critical attention and informed appreciation it deserves." --Joseph Bruchac, author of Keepers of the Earth * Includes all the basic stitches and designs * Contains a special section on natural tanning methods * Extensive glossary * Full-color photos of authentic Native American beadwork

The patterns in this book are presented in the three formats most popular among beadworkers - colored freehand drawings; non-colored freehand drawings, and patterns drawn on size 11 beading graph paper. These last two can be copied and the colors filled in by the beader. The patterns can also be used for embroidery and painted works.Designs include Sioux Star with a Bear Paw, Buffalo Spirit, Red & Yellow Arrow Geometric, Red & Black Geometric, Four Feathers, Sunburst, Blue & White Geometric, various Butterflies, Medicine Buffalo, several Flower patterns including Tulips, Roses, Steeple Flowers, Christmas Flowers and more, Orange Rosebud, Dove of Peace, Christian Crosses, a Jesus oval, Turtles, Feathers, more Geometrics, Dragonflies, Star of Joy, a Horse, a Fish and more. The Medicine Buffalo Pattern includes an illustration showing how to place beads within a pattern.All the patterns can be enlarged or reduced in size to fit a particular area and they can be combined to form more complex patterns. Templates for popular beaded items such as barrettes, bolos and hairties are provided, but don't stop there - use the patterns for belts, hatbands, bracelets, pouches, wallets, purses, jackets, fans and anything else that can be decorated with beads.There are 24 photographs of beaded pieces that show different patterns and combinations, including Bear & Salmon, Medicine Wheels, Roses and several Geometrics. Most are detailed enough to show how the beads are sewn into the pattern. Beaded items shown include bolo ties, a belt, breastplate center decoration, belt side tab, vest, barrettes, kneeband, armband, and a bustle center.May your creative juices flow as you use this book! 48 pages in full color. 142 illustrations. Every beader should own this new book of authentic Native American designs.

Features seven beautiful jewelry projects made with inexpensive seed beads. A wonderful array of ways to turn seed beads into appealing jewelry.

Beading Inspiration: How to Use Color in Jewelry Design is packed with new and traditional approaches to designing with color that will expand any beader's current palette as well as increase creative confidence. Readers can explore design possibilities using nature, the color wheel, decorative art, and fabric for color inspiration. Includes 27 projects from Beading Basics: Color, a special issue from the editors of BeadStyle and Bead&Button magazines, plus six additional, brand-new designs.

A celebration, illumination, and study of the spectacular beaded bags made by the Ojibwe of Minnesota.

Handicraft guide of fundamentals of construction and ideas of design.

This book is in a class by itself. Featured are dozens of full-color photos of both Indian and in-Indian made beadwork from museums, collections and today's marketplace. Instructions are accompanied by large, highly detailed, step-by-step color photos and illustrations. Four styles of beadwork are covered: loom, two needle applique, lazy stitch, and the gourd (peyote) stitch. Presenting both basic and advanced techniques, the author also includes detailed instructions on how to make and bead moccasins.

A handicraft guide to American Indian beadwork for those seeking the fundamentals of construction and ideas of design—fully illustrated throughout. American Indian Beadwork includes: -Directions for beading stitches -Directions for making and stringing a loom -Fifty-four black-and-white photographs of actual Indian beadwork -Thirteen full-color pages of 132 authentic Indian patterns for your own beadwork
