What is the storybook Oliver's Vegetables about? The book is designed to target children who are fussy eaters. Oliver is a fussy eater who would only eat chips and nothing else until he plays a game with his Grandpa. The game involved Oliver picking any vegetable in the garden he likes but he must eat it.

chips and definitely not vegetables. However his Gran and Grandpa's garden is full of vegetables. When Oliver comes to stay Grandpa comes up with an ingenious way to encourage him to try some of the vegetables. This is an attractively illustrated picture book which just might tempt reluctant (healthy!) eaters to try something new themselves.
