Plague, Population and the English
Economy 1348-1530 ...

It can be fairly well established that

Download File PDF Plague Population And The

English Domesday and the Black Death
the population of England rose from just
under 2 million to about 4 million. Indeed,
it is confidently claimed that in the early
years of the 14th century there was an
abundance of population, perhaps even a
surplus, in relation to the available
resources.
