until things inevitably decline, or continuously change to stay vital. But how? Bestselling leadership and management guru Jason Jennings and his researchers screened 22,000 companies around the world that had been cited as great examples of reinvention. They selected the best, verified their success,

Read PDF

Reinventores

interviewed their leaders, and learned how they pursue never-ending radical change. The fresh insights they discovered became Jennings's "reinvention rules" for any business. The featured companies include: Starbucks-which turned itself around by making tons of small bets on new ideas. Fresher store designs, better food
