Slide and Find - Trucks book by Roger Priddy

The Slide and Find series introduced me to yet another innovation in the board book format - integrating a nonfiction text with slide panels that reveal answers. I find it clever and entertaining. This book is all about trucks. To provide an idea of how the book works, the following is an example of the first two-page layout. The spread quizzes children on colors. One side has photographs of four differently colored trucks, and the other page is divided into four rectangles.
