Marry the boy next door in this sweet contemporary romance by USA Today Best Selling Author, Jillian Dodd. The gorgeous engagement ring on my finger mimics my happiness. I feel so sparkly, glittery, and full of promise, because I absolutely know he's that boy. The boy I want to marry. My prince. My happily ever after. But then our pastor starts asking lots of questions. His parents say I haven't dealt with my past. I have horrible wedding disaster dreams. I can't find the perfect dress. I have to manipulate him to get my way. An old boyfriend asks me to run away with him. My best friend says I'm going to ruin everything. And forever starts to sound like a really long time. Which totally freaks me out and makes me question everything I know. Should best friends get married? Will my past affect our relationship? Are my horrible dreams a warning? Will I ever find a dress? Could his sexiness be clouding my judgment? Am I going to ruin everything? Or is it just a case of cold feet? And then I have to decide. Am I willing to give up on true love forever, or am I going to listen to my heart and marry him?

You know, being friends with two cute boys does have its benefits. There's Danny. Danny is a golden boy in every way. He has dreamy blue eyes and blonde hair that always looks perfect, even when it's windblown or been stuck under a football helmet. He's the boy

every girl crushes on. The boy I get into trouble with, the boy I fight with, the hot quarterback no girl can resist. Being with Danny is like being on an adventure. He has a bright, contagious smile and abs to die for. Equally crush worthy is Phillip. Adorable, sweet Phillip, who I have known since birth. Phillip has dark hair, a perfect smile, brown eyes, and the sexiest voice I have ever heard. He's the boy I talk to every night before I go to sleep. The boy who rescues me, the boy who can read my mind, the boy who is always there for me, the boy who tries to keep me out of trouble, the boy who irritatingly keeps getting hotter, and whose strong arms always seem to find their way around me. And when he gives me that grin, I can never say no. One boy will give me my very first kiss. One boy will teach me to make out. One boy will take me to prom. And finally, one boy will ask me to marry him. They will both be my best friends. But only one of them will be the boy I fall in love with. Only one of them is That Boy.

First comes love, then comes marriage . . . and then comes That Baby, the third book in the That Boy series by USA Today bestselling author, Jillian Dodd. It's amazing how a few little words can change your life. It starts with a simple I love you. It's made official with I do. And becomes incredible with I'm pregnant. Jadyn is the girl I love. The girl I've always loved. Our lives are like single threads meticulously woven together--the result an exquisite tapestry of past, present, and future. Then there are the words that will unravel me. A few little words that will change my life.
