“In The Charleston Orphan House, distinguished economic historian John E. Murray uncovers a world about which previous generations of scholars knew next to nothing: the world of orphaned children in early national and antebellum America. Employing a unique cache of records, Murray offers a sensitive and sympathetic account of the history of the institution—the first public orphan house in the US—while at the same time making it clear that Charleston’s beneficence toward white orphans ...

The collection consists of the administrative records of the Charleston Orphan House, from its founding in 1790 to its removal from urban Charleston to suburban North Charleston in the early 1950s. These materials not only document the long-term management of a large municipal institution, but also provide significant insight into the care and nurturing of thousands of individual children.
