The Storekeepers Daughter is Book One in Wanda Brunstetter ' s Daughters of Lancaster County Series. This was the first book I had read by her and I was thrilled to have another Amish author in the Christian book market. The cover of this book is subtle but drew me in. It shows an Amish girl in front of a general store.

The Storekeeper's Daughter by Wanda E. Brunstetter

The Storekeeper ' s Daughter is the first book in the Daughters of Lancaster County series by Wanda E. Brunstetter. I just clicked with these characters. I thought that Naomi ' s dad was frustratingly a jerk-wad. This review started out fairly unconventional so I might as well just go with it and call it like I see it.

One of the funniest parts of the 1st act of the Rise of the Runelords is when the daughter of the general store keeper seduces a member of the party to give her some "Lovin" in the confines of the store basement. This happened in a game when my Orc Fighter Dreggrod being the only male with the group got approached by her and asked to kill some rats in the basement.

June 1944. Eighteen-year-old Ginnie Travis works in her father's furniture shop in the suburbs of East London when the continued bombing raids and her sister Shirley's untimely pregnancy force the two girls to go and stay with their aunt in Shropshire. Here Ginnie falls in love with an American, Lieutenant Nick Miller, stationed nearby. But she discovers that Nick has a fiancée back home and a heartbroken Ginnie ends the relationship. Then news of their father's death in an air raid reaches them. Hurrying back to London, Ginnie finds herself in sole charge of the shop.

Sonja Haraldsen, a young Norwegian seamstress, meets Crown Prince Harald of Norway at a party. The two quickly fall in love, and Harald soon proposes marriage, but his father, King Olav, expects his son to marry only royal blood. Soon, the romance finds its way into the press, and their scandalous romance becomes the Norwegian scandal of the century.

In World War II – torn England, a young woman must fight to keep her family together, whatever the cost. Ginnie Travis has been working in her father's shop for the past five years, trying to keep it afloat. When scandal rocks her family just as relentless Nazi raids threaten their very lives, Ginnie and her sister are forced to flee and stay with their aunt in the North of England. The last thing she expects to find in the quiet countryside is love, especially with an American soldier. A soldier who has secrets of his own. Tragedy strikes, the horror of war rages on, and Ginnie will do whatever she must to protect everything she holds dear.

Sonja Haraldsen, a young Norwegian seamstress who works in her family ' s clothing store, has never dreamed of being famous for anything besides fashion design. Yet one summer evening in 1959, she meets Crown Prince Harald at a party. She ' s shocked when he wants to see her again, but they quickly fall in love, and Harald proposes marriage less than a year later. Yet King Olav, who expects his son to marry royal, is firmly opposed to the idea of a common-born seamstress as the next Crown Princess. As His Majesty ' s approval is legally necessary for the marriage of the heir, Harald and Sonja are left waiting and hoping for the King to change his mind. Soon, the secret relationship finds its way into the papers, and the Crown Prince ' s romance with a shopkeeper ' s daughter becomes the scandal of the century. Journalists, politicians, and ordinary Norwegians declare that a common marriage would destroy the monarchy, and a furious King repeatedly insists that the relationship must end. Set against the romantic backdrop of royal Europe, A Shopkeeper ' s Daughter is based on a true story of a love worth fighting for.

Time seems to stand still in Naomi Fisher ' s tranquil community, but it cannot hold back tragedy. Helping her widowed father run a store, manage a household, and raise seven children is a daunting task. There is no time to think about courtship and having her own family, still her heart yearns for the attention of Caleb Hoffmeir. But her days are plotted for her—until the afternoon her baby brother goes missing from the yard. How can Naomi expect anyone to love and trust her if she couldn ' t take care of one small boy? Should she leave all that is familiar and seek a new avenue of life?

A quarter-century after its first publication, A Shopkeeper's Millennium remains a landmark work—brilliant both as a new interpretation of the intimate connections among politics, economy, and religion during the Second Great Awakening, and as a surprising portrait of a rapidly growing frontier city. The religious revival that transformed America in the 1820s, making it the most militantly Protestant nation on earth and spawning reform movements dedicated to temperance and to the abolition of slavery, had an especially powerful effect in Rochester, New York. Paul E. Johnson explores the reasons for the revival's spectacular success there, suggesting important links between its moral accounting and the city's new industrial world. In a new preface, he reassesses his evidence and his conclusions in this major work.

A compelling wartime novel of love, loss and remembrance from the bestselling author of The Shopkeeper's Daughter. August 1914. With the approach of war about to bring tragedy and heartache to families all over England, Elsie longs to do her duty for King and country. She heads to London to act as an interpreter for thousands of Belgium refugees. But although she enjoys her work, she longs to do more. And when the opportunity arises she joins the foreign office, travelling to France as an undercover agent. When circumstances force her to return home, she joins the FAN'Ys. And on the battlefields of Europe, she must find the courage to help save lives, each day hoping that one day she ' ll be reunited with the man she loves.
